

# About *HVACR Today*

*HVACR Today* is the only print and digital newspaper dedicated to Arizona's heating, ventilation, air conditioning and refrigeration industries. First published in 1993, *HVACR Today* is the premier communication tool for companies that want to reach Arizona's top HVACR professionals and hands-on talent.

Published every month, *HVACR Today* provides information to contractors, distributors, manufacturers, manufacturers' representatives, facility managers, and related industry professionals.

Thanks to Arizona's unique climate, the HVACR industry here is dynamic year-round. Add to that Arizona's vigorous involvement in sustainable growth initiatives, and it's clear why *HVACR Today* is the ideal location for your advertising and information.

## Readership and Distribution

*HVACR Today* readers work in the commercial, industrial, residential, utility and non-building markets. Each month over 8,000 print copies are distributed through two primary channels:

- by mail to a controlled list of professionals and decision makers (37%);
- through a monitored network of service counters, showrooms and offices (63%).

In addition to this regular monthly distribution, *HVACR Today* maintains an active schedule of providing bonus distribution through the year at trade shows, distributor open houses, industry organization meetings, and continuing education classrooms.

There is no better way to reach Arizona's entire HVACR population, from technicians in the field to executives in the office, than through *HVACR Today*.

### ***HVACR Today* Primary Readership**

Contractors	35%
Distributors manufacturers and manufacturers' reps	25%
Students, educational institutions, trade groups	12%
HVACR-related businesses (not contractors)	8%
Utilities and government agencies	9%
Electrical-related businesses	3%

---

Owners or upper management	42%
Technical service personnel (Technicians, installers, facility managers, etc.)	30%

*Numbers do not equal 100% due to multiple answers by respondents.*

# Production Requirements

**File format.** *HVACR Today* accepts advertising materials in industry standard electronic formats. We require files as high-quality PDFs. We also accept high-resolution TIF and (for black and white ads) JPG format.

We do not accept materials in Word, Publisher, Excel or PowerPoint formats. If ads are created in these programs, convert to PDF format before submitting. Please call the Editor at 602-263-8519 for more information or help with preparing files to avoid pre-press charges.

**Resolution.** The final ad file, as well as photos/artwork within the ad, should be 300 dpi minimum. Website graphics are not suitable for print media.

**Color.** Create full color ads as four-color (CMYK) files and save them in either PDF (all fonts embedded) or TIF format. Build black text and artwork from 100% black (K) values. Convert any Pantone colors to process before submission.

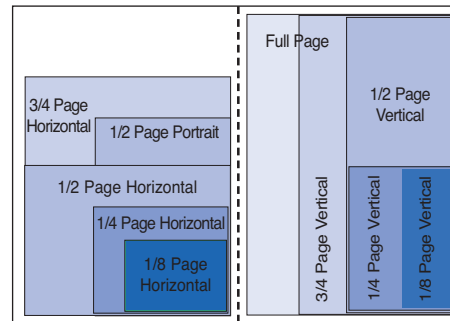

**Unacceptable ads.** The publisher reserves the right to refuse ads deemed in bad taste, inaccurate or otherwise inappropriate. "Advertorial" style ads may be labeled "advertisement" at the publisher's discretion and will be approved on an individual basis. Please call the Advertising Manager at 602-263-8519 to discuss ad content.
